ABOUT ME

I am a passionate web developer with a strong interest in learning and improving my skills. Through my studies, I have gained solid experience with modern technologies such as React and Node.js, which have given me competencies in both frontend and backend development.

I am looking for an internship where I can contribute with my skills while further developing my competencies.

WORK EXPERIENCE

Shift Manager

2022 – Nu

Føtex

Alongside my studies, I work as a shift manager at Føtex, where I am responsible for customer service and the checkout area. Through this role, I have strengthened my skills in teamwork and problem-solving.

Animator

2024 – 2024

Viral Film – Praktikant

As a multimedia designer, I interned as an animator at Viral Film, where I had the opportunity to express my creativity through the animation of commercial films. During this internship, I developed skills in client communication and meeting deadlines.

Sælger

2020 – 2021

Koa Group

As a salesman at Koa Group, I have gained valuable experience in communication through direct customer interactions. I have learned to adapt to different customer needs and find solutions that match their expectations.

Kundeserviceassistent / Husansvarlig

2015– 2022

Bilka

At Bilka, I was responsible for customer service, the checkout area, and served as a store supervisor. Through this role, I learned to take responsibility, collaborate in teams, and work independently.
